THE HOME OF MIDDLE EASTERN CUISINE IN LONDON

About Us

Al Basha is the creation of a group of Chef's / Owners who celebrate their culinary heritage from a variety of the Middle Eastern countries. It is a place where cravings for Middle Eastern cuisine from the Levant to Egypt are met with authentic flavours. Among the variety of restaurants in cosmopolitan London this is a unique place to satisfy your desire for a variety of Mezze and Platters from all the different cuisines of the Middle East.

Al Basha cordially invites you on a journey through the culinary splendors of the Middle East. He has appointed us, his trusted chefs and restaurant staff, to ensure you have a flawless experience and that you are also treated like a true 'BASHA'.

We have transformed centuries of Middle Eastern culinary heritage and evolution and our decades of experience into a carefully curated menu that is bound to satisfy your cravings of Egyptian and Middle Eastern food.

As we escort you through the souks of Cairo and the harbours of Alexandria, as we explore the hot sands of Arabia and the mountains of Lebanon, or even the emerging Indian food scene in the UAE, we encourage you to let loose of your senses, as you reach new heights of indulgence and try dishes that are inspired by our very own nostalgic memories of the Middle East.

We look forward to being a part of your event very soon and giving you an unforgettable culinary experience.
